Chairman
U. S. Atomic Energy Commission
Washington, D. C. 20545

Dear Dr. Seaborg:

Thank you for your letter of August 25 concerning the beryllium activities of the AEC. As soon as we complete our consideration and evaluation of the statements of your position as outlined in your letter, as well as the actions and policies you are contemplating, we will communicate our views to you in full.

In the meantime, we wish to express our gratitude to you once more in giving this matter your personal consideration and attention.

Yours very sincerely,

G. S. Mikhalapov
Chairman of the Board
