OAK RIDGE REGIONAL EMERGENCY MANAGEMENT FORUM

Breakout Session Summaries

1:30 - 2:30 p.m. Sessions:

RAD BASICS FOR NON-RAD WORKERS, CRITICALITY ACCIDENT CONSEQUENCES, & RAD RISK REALITIES OF A RADIATION DISPERSAL DEVICE

- Presented by Robert C. Ricks, Ph.D., REAC/TS (first and middle portions); and Steve Johnson, RRC RAP, Region 2 (final portion)

This session begins with radiation training that covers the basic principles of radiation and contamination; the middle portion is a discussion of the effects of a criticality accident; and the final portion covers the risks and realities of a radiation dispersal device.

FIRE/HAZARDOUS MATERIALS TABLETOP EXERCISE SIMULATION

- Presented by Bob Murawski, Oak Ridge Institute for Science and Education/Murawski Enterprises

This session consists of an emergency management tabletop exercise simulation designed to highlight interfaces and interactions between both on-site and off-site responding organizations. The scenario will involve a spill and subsequent fire.

2:30 - 3:00 p.m. Sessions:

BIOTERRORISM PLANNING

- Presented by James Henry, Jr., M.D.; Patty Raustler, R.N.; and Karen Wilken, R.N., Methodist Medical Center

This session provides an overview of the measures taken by Methodist Medical Center to plan for their response to bioterrorism attacks in the Oak Ridge area.

Y-12 EMS AND FIREFIGHTING EMERGENCY RESPONSE INFORMATION

- Presented by Chief Scott Hackler and Assistant Chief Scott Vowell, BWXT Y-12, LLC

This session offers an overview of requirements and conditions that mutual aid responders can expect when responding to the Y-12 National Security Complex.

3:00 - 3:30 p.m. Sessions:

FEDERAL EMERGENCY MANAGEMENT AGENCY (FEMA) URBAN SEARCH AND RESCUE

- Presented by Mary Rountree, FEMA Region IV

This session provides an overview of FEMA's Urban Search and Rescue program.

MEDIA EXPECTATIONS DURING EMERGENCY RESPONSE

- Presented by Gene Patterson, Co-Anchor WATE, Ch.6

This session provides an overview of public information needs during an emergency.
