Responses to Offerors Questions
Solicitation No. DE-RP05-08OR23286**

24. Will the Source Evaluation Board (SEB) accept any additional discussion questions regarding the offerors' proposals (e.g., weaknesses etc.)?

Response: For clarification purposes, the May 13th letter requesting final proposal revisions has formally closed discussions. Consequently, questions from offerors regarding the information about the offeror's proposal, which the SEB provided to offerors during the discussions phase, will not be accepted or answered.

However, the SEB will accept questions submitted via IIPS that relate to the RFP and any related amendments until the deadline (May 26, 2009, no later than 2:00 PM, local prevailing time) for receipt of final revised proposals.
