

## Section A

Section A is a single page, Standard Form 33(SF 33), Solicitation, Offer and Award. The Standard Form 33 provides pertinent information such as solicitation/contract number, type of solicitation, issuing office, instructions, i.e., time and date deadlines for submission, number of copies to be submitted, Government point-of-contact, abbreviated table of contents, schedule description, contract clauses description and the number of pages in each section. It also provides proposal validity period, offered prompt payment discounts, acknowledgment of amendments, offeror information, accounting and appropriation information and the name of the Government contracting officer. A draft of Section A will be included in the final draft RFP to be issued at a later date.

Include a copy of a blank SF-33.
