

Join us for an important presentation  
on the groundwater strategy development effort  
for the DOE Oak Ridge Reservation

Wednesday, Nov. 13, 6 p.m.  
DOE Information Center  
1 Science.gov Way, Oak Ridge  
(Intersection of Oak Ridge Trmpk. & Athens Rd.)

Dr. Dan Goode, U.S.G.S., will provide the results from a series of groundwater strategy workshops held by DOE, EPA, and the state to work on possible solutions to contaminated groundwater on or adjacent to the reservation. A strategy document based on workshop discussions has been written by DOE and submitted to EPA and the state for review. For more information about the presentation, call (865) 241-4583 or 241-4584.

The Oak Ridge Site Specific Advisory Board is a volunteer group providing recommendations to the DOE environmental cleanup program. For information, see our website at [www.oakridge.doe.gov/em/ssab](http://www.oakridge.doe.gov/em/ssab).
