September 24, 2012

Advisory Board Seats New Student Representative

Another student representative has been seated for a one-year term on the Oak Ridge Site Specific Advisory Board (ORSSAB). Ross Landenberger was introduced as a student representative to the board at the September meeting. He joins Hardin Valley senior Sam Yahr as one of the board's two student representatives.

Ross is a senior at Oak Ridge High School, where he is a member of the International Relations Club, National Honor Society, and the ORHS orchestra as a bass player. He works for the Clinch River Environmental Studies Organization, is a member of Oak Ridge's Youth Advisory Board, and volunteers with Keep Anderson County Beautiful. Ross enjoys playing disc golf and plans to pursue a career in medicine.

"Ross is very energetic and has an excellent reputation for community service," said Susan Cange, deputy manager for the Department of Energy's (DOE) Oak Ridge Environmental Management program and the board's deputy designated federal officer. "We thank Ross for his interest as a student representative to the board and look forward to any assistance he can provide the board in the coming year."

ORSSAB is a federally chartered citizens' panel that provides recommendations to the DOE's Oak Ridge Environmental Management Program.

ORSSAB meets on the second Wednesday of each month at 6 p.m., at the DOE Information Center, 1 Science.gov Way in Oak Ridge. Information about the board is available on the internet at www.oakridge.doe.gov/em/ssab or by calling (865) 241-4583 or 241-4584.
