Site Specific Advisory Board Elects Officers for FY 2013

The Oak Ridge Site Specific Advisory Board (ORSSAB) elected its FY 2013 officers during its September board meeting. David Martin, Dave Hemelright and Chuck Jensen will serve as chair, vice chair and secretary respectively. The new officers will preside over their first meeting Oct. 10 at the DOE Information Center, 1 Science.gov Way in Oak Ridge.

New officers for the Oak Ridge Site Specific Advisory Board are, from left, Dave Hemelright, vice chair; David Martin, chair; and Chuck Jensen, secretary.

construction management experience in commercial, retail and food service construction, and 10 years in maintenance management for retail and K–12 public schools. He was appointed to the board in 2011. Hemelright lives in Lenoir City.

Jensen joined ORSSAB in July 2007 and returns for a second term as secretary. He is the owner and manager of Diversified Technologies in Knoxville, which manufactures, designs and services wastewater treatment systems for nuclear power plants. He has founded three technology companies, developed several patents and has authored, and presented a number of technical papers regarding waste processing in the commercial nuclear industry. Jensen is a Knoxville resident.

Martin, an ORSSAB member since July 2007, is a retired electrical engineer who worked on a wide range of power engineering assignments worldwide during his career. He is a long-standing member of the Institute of Electrical and Electronic Engineers. He operates a cow/calf ranch in south Roane County. To help support the cattle industry in East Tennessee David serves as vice president of the Tennessee Cattlemen's Association (Roane County Chapter). He lives in Harriman with his wife Nancy.

Hemelright is the marketing director for Alliance Corporation, which provides construction services primarily to school systems. David has 20 years of

ORSSAB is a federally chartered citizens' panel that provides recommendations to the U.S. Department of Energy's (DOE) Oak Ridge Environmental Management Program.

ORSSAB meets the second Wednesday of each month at 6 p.m. at the DOE Information Center in Oak Ridge. Meetings of the board and its committees are open to the public, and notices are posted on the board's web site: www.oakridge.doe.gov/em/ssab.
