January 8, 2013

Mr. David Martin, Chair
Oak Ridge Site Specific Advisory Board
Post Office Box 2001
Oak Ridge, Tennessee 37831

Dear Mr. Martin:

RESPONSE TO YOUR LETTER DATED OCTOBER 16, 2012, RECOMMENDATION 211: RECOMMENDATION AVAILABILITY OF DEPARTMENT OF ENERGY (DOE) ENVIRONMENTAL MANAGEMENT DOCUMENTS

Reference: October 16, 2012 Letter from David Martin to Susan Cange, *Recommendation 211: Recommendation on Availability of DOE Environmental Management Documents*

We appreciate the recommendation provided by the Site Specific Advisory Board regarding the availability and searching of documents online through the DOE Information Center.

We are currently working with DOE Information Technology personnel to improve search capabilities within the funding that we have available. This effort has already resulted in reactivation of the "Search Tip" function referenced in your letter. Upon request, we can provide training on the best ways to access information. As always, if you cannot locate a document, the DOE Information Center (IC) staff will provide documents to you.

In addition, we are working with staff to ensure documents are available at the DOE IC and/or online no later than the date when their availability is publicly announced.

If you have any questions or if we can be of further assistance, please contact me at (865) 576-4094.

Sincerely,

A handwritten signature in blue ink, appearing to read "D. Adler", is written over a light blue rectangular background.

David G. Adler,
Alternate Deputy Designated Federal Officer
