Dear Mr. Murphie:

Deputy Designated Federal Official

William Murphie, DOE

The Paducah Gaseous Diffusion Plant Citizens Advisory Board approved by consensus the attached list of Board applicants at the November meeting. The rankings, as established by the Board, reflect an attempt to regain diversity as required by our by-laws and to develop a membership willing to devote sufficient time for meaningful input to the U. S. Department of Energy.

Ex Officio Members

Your consideration to appoint four individuals by year end to fill unexpired terms would be greatly appreciated. This would allow the Board to reorganize in an effort to increase our involvement and input.
